Investment risks

For complete information on risks, refer to the legal documents. The value of investments and any income will fluctuate (this may partly be the result of exchange rate fluctuations) and investors may not get back the full amount invested. Investments in small and medium sized companies involve greater risks than those customarily associated with larger companies.

Fund Strategy

The fund, which is predominately invested in developed markets, is managed as two regional sub-portfolios, EAFE (Europe, Australasia and Far East) and the US. Michael Oliveros is the lead fund manager and oversees the fund's asset allocation process and the day-to-day management of the EAFE sub-portfolio. Juan Hartsfield is responsible for stock selection within the US sub-portfolio. In terms of the EAFE portfolio, Michael is supported by specialists in Europe, Asia and Japan as well as drawing on the regional knowledge and experience of the broader Global Smaller Companies Group (GSCG).

SFDR (Sustainable Finance Disclosure Regulation)

The Fund complies with Article 8 with respect to the EU's Sustainable Finance Disclosure Regulation*. As such, the fund promotes, among other characteristics, environmental or social characteristics or a combination of those characteristics. In addition, the companies in which the fund invests follow good governance practices. *Regulation (EU) 2019/2088 on sustainability - related disclosures in the financial services sector.

Exclusion Framework

The Fund embeds an exclusionary framework to specific activities based on UN Global Compact, severe governmental sanctions, revenue thresholds for certain activities linked to environmental and/or social criteria, as well as ensuring that companies follow good governance practices. The list of activities and their thresholds are listed below. For further details on the exclusion framework and characteristics applied by the fund please refer to the website of the manager <https://www.invescomanagementcompany.lu>:

UN Global Compact	- Non-Compliant
Country sanctions	- Sanctioned investments are prohibited*
Controversial weapons	- 0% of revenue including companies involved in the manufacture of nuclear warheads or whole nuclear missiles outside of the Non-Proliferation Treaty (NPT)
Coal	- Thermal Coal extraction: $\geq 5\%$ of revenue - Thermal Coal Power Generation: $\geq 10\%$ of revenue

Others	- Recreational cannabis: $\geq 5\%$ of revenue
Good governance	- Ensure that companies follow good governance practices in the areas of sound management structures, employee relations, remuneration and tax compliance

*At Invesco we continuously monitor any applicable sanctions, including those imposed by the UN/US/EU and UK. These sanctions may preclude investments in the securities of various governments/regimes/entities and as such will be included in our compliance guidelines and workflows (designed to ensure compliance with such sanctions). The wording of international sanctions is something that we pay particular attention to as there are occasions where sanctions can exist in limited form, for example allowing investments in the secondary market. In addition to sanctions targeting entire countries, there are other thematic regimes, which may focus for example on human rights, cyber attacks, terrorist financing and corruption, which may apply to both individuals and/or entities/corporations.

Any investment decision should take into account all the characteristics of the fund as described in the legal documents. For sustainability related aspects, please refer to: <https://www.invescomanagementcompany.lu/lux-manco/literature>.
